

Dear Applicant,

We at the Roots Team are all very excited you've expressed interest in joining the team! We'd appreciate it if you would answer a few questions (listed below) so that we can get to know you a bit better.

1. What are your reasons for volunteering yourself for a position on the Roots Team?
2. What kind of leadership roles have you had in the past? How have you been involved in your local Youth Group?
3. Please share with us how God has enabled your relationship with him to grow.
4. What are some special skills you've been blessed with that you feel will benefit the Team, and more importantly, the Roots Youth?
5. Please mention which church you are currently a member of.
6. Please provide us with your ward elder or minister's name, phone number and email address.

Some requirements that come with the job...

1. Meetings are most often in the Hamilton-Burlington area.
2. We meet about once per month.
3. Volunteering means committing for a term of 2 years. You may stay on the Roots Team for 2 terms (for a total of 4 years).
4. Please be aware that the Roots Team is a big-time commitment. If you do not think you can donate much of your time to this Team, please do not apply. We work together as a team and if one team member does not contribute the rest suffer. Please make sure you have sufficient time in your life to give to the Roots Team before applying.

Please email this back to me at contactrootsyouth@gmail.com. Thanks!

Laurenne Wattel
Secretary
The Roots Team
